1 Coldwater Mill, Bandstand
1 Mill Street

Dianne & Ken Day
We love working with the raw steel turning it into our unique hand crafted creations. Flowers, Bulrushes, Rebar & Railway spike art and more.

www.kdmetalcreations.ca

2 Coldwater Mill, Second Floor
1 Mill Street

Kate Greenway
I am fascinated by light and colour. I use tiny pieces to build form and detail, with shards of glowing glass, luminous layers of paint, or tactile treasures. Nature is my theme.

beaglesofballantrae.ca
@beaglesofballantrae

3 Coldwater Legion, Second Floor
2 Michael Anne Drive

JudyBlue Anderson
I create a visual memory of my response to place. Through walking and sketching, I gather information to offer viewers a window into the vibrant essence of our environments.

www.judyanderson.ca
@judyblueanderson

Brian Blakeman
My work picks up the energy of landscapes diversity, in mixed mediums to give the resonating feel of the moment as in plein air.

birdmanblakeman47@gmail.com

Xavier Fernandes
A Canadian artist based in Orillia, he has been woodturning since 2018. Works range from candleholders, bottlestoppers, to live edge bowls large and small.

xavierfernandes@hotmail.com
facebook.com/xavier.fernandes.796

Carrole Blakeman
Carrole Blakeman Textiles creates unique shawls and scarves in natural fibres, including silk, linen, wool and cotton. Textiles are hand dyed using Indigo and shaped resist.

copperfoxdesign@gmail.com
@carroleblakemantextiles

Katie Flynn
In this numbing age of mechanical reproduction, I live and breathe by the age-old human impulse to make things. I strive constantly to surpass conventional limits in design.

etsy.com/ca/shop/soprettytstings
@beejewelry.ca

Merlene Bulas
Rolling hills, Georgian Bay cottages, rural country roads, towns and villages, people, and whimsical subjects are the inspiration that stimulates her unique contemporary art.

www.sunninghillart.com

Carol Hartwell
Pottery inspired by the beautiful Georgian Bay Biosphere Reserve. She uses colourful underglazes and Japanese brush strokes to decorate her pottery.

www.facebook.com/carolhrtwl

Kyra Dahlke
Inspired by time on the water and in the forest, I sketch, photograph, and paint en plein air and in studio, using colour and shape to evoke movement and place, inviting viewers in.

www.kikilaruse.com

Dee Ayotte
Deevine Designs Metal Art
I am excited to be returning to this amazing Art tour again this year. I will be bringing new work, as well as some old favorites. Looking forward to seeing you all.

www.deeayotte.ca

4 Studio Krismer
20 Gray Street Hall

John Krismer
Brand X Guitars
I source the best woods from around the world and use only traditional hand techniques to build acoustic instruments, including arch top and acoustic guitars in all sizes as well as ukuleles.

www.brandxguitars.com
crazyguitarmaker@gmail.com

Cheryl Krismer
MetalWear Jewellery
I have focused my time recently on learning the art of enamelling on both copper and silver. My work includes the ancient art of basse taille which includes hand engraving onto the metal before applying the enamel. I continue to explore contemporary themes to make the work current and reflect my passion for creativity, craftsmanship and humor.

www.metalwear.ca
@metalwearjewellery

6 Studio Kaiser
105 Orr Farm Road

Paul Allen
I make furniture and sculpture using rustic materials like driftwood, live edge woods and found objects. My work is often whimsical and affordable.

pamandpaulallen@gmail.com

Kathryn Kaiser
Verity Blue Studio
A thing must stir my emotions before I can portray it in paint. Through story I strive to bridge the space between the tangible and the ephemeral.

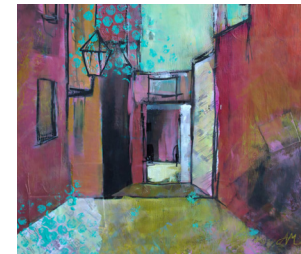

www.kathrynkaiser.ca
www.verityblue.ca
art@kathrynkaiser.ca

7 Coldwater Community Centre
11 Michael Anne Dr.

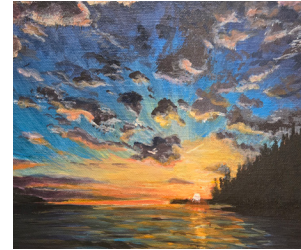

Colleen Bradstock
My love of Canadian landscape is the motivation behind all of my work. Striving to faithfully capture the essence of our natural places and share the peace that they provide.

@colleenbradstockart

Ailene MacDougall
I create vibrant mixed media abstract paintings inspired by travel, architecture, and memory. Layered colour, rhythm, and transparency bring movement, joy, and expansiveness to your space.

www.ailenevranamacdougallartist.com

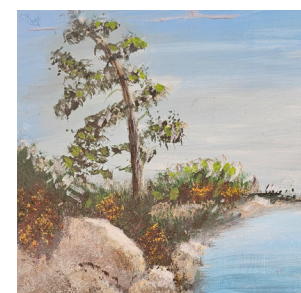

Karen DeBoer
My personal practice centres on landscapes from my hikes and canoe trips in Ontario and travels abroad, while I also create animals pieces that connect with many of my collectors.

www.kdbcreations.weebly.com

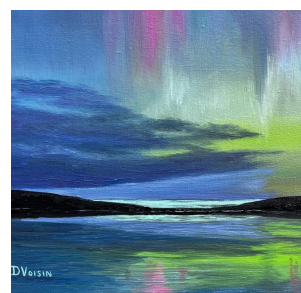

Kim Martin
My work celebrates the spirit and character of pets and wildlife through oil painting. As a teacher, I hope to inspire and encourage others to find joy in making art.

www.kimmartinart.ca

Phil Ripley
A Port Severn local artist, he is excited to be participating in the tour again this year!

peripley2@gmail.com

Donna Voisin
Nature bathing, while cycling and hiking, engages my senses. I strive to bring nature's spirit to life, reflected in oil on canvas.

www.donnavoisin.com
@donnavoisin.art.5

David Kerr
Art has always been a natural form of communication for me as I can express my soul and love for nature in a world of colors and shapes.

davidkerrtheartist.wordpress.com
@davidkerrartist

Jacqueline Raynor
I create encaustic pieces on wooden board or framed glass and am inspired by nature and colour to produce uniquely joyous art pieces full of whimsy and delight.

jhr-encausticcreations.square.site

Laura Kulson
Laura Kulson is a jewellery maker and visual artist. Her work explores her love of nature and the beauty of her materials, which she strives to preserve within each piece.

@SirenBayStudio

Samantha Reimer
Spending time in the landscape is an important part of my process. Whether it's standing on a shoreline or in a field with horses my goal is to recreate how it felt in that moment.

www.samanthareimer.ca
@samanthareimerart

Wendy Wilson
The white pine around Georgian Bay and Muskoka give me opportunities to paint them in bold colours. This allows me to tell a story to the viewer giving them a feeling, or a memory.

www.wendywilsoncreates.ca
@wendywilson.art
